She wins her game.

She sees the announcement of Velvet Killer's Bounty on the TV.

She gets excited.

Pamela String

Mmmmm, interesting. I love to win and beating people in domino for fun but also, I need more cash. I want to go to Gotham one day and meet one of the heroes overthere just some guys like The Batman or The Question. I will take this for now as mission and bring this psycho to justice. I want to save my city. That's right I will protect Indian Hill and yes, I can be that heroic too. From now on my name will be The Illusionist.

She stops for a second to breathe and think. Then she continues saying with a nice accent in her voice.

Pamela String

I see. She uses cards and a very special magic gun as a villain. Very interesting. But I do love challenges by nature. In fact, I do think I'm so much better than her. That's right I'm great than her and I can beat her in her own game. My domino tiles are amazing too. That's the thing I will be known as The Illusionist the new hero of Indian Hill.

The Illusionist wears her domino fighting gear suit.

She leaves the 8-pool club cafeteria.

She is on her way to beat Velvet Killer.

Same here too.

God Damit if I can stand up again.

She is really so strong this Domino’s Lady I can’t even be on her level.

The Entertainers

Ah, my arms I can’t feel them

What you’ve done to us bitch.

Yeah, you will regret it Domino’s Lady. Velvet Killer will never forget you and forgives you

Forget man, we're screwed here.

The Illusionist

Hhhh, what’s wrong Stupid Clowns where all that fuss and that spirit did go Hein? Yeah, I know. I’m not on your level. Well, that’s the price

that you pay for ruining my city and all the bad things you do to all those innocent beautiful people here. That's right no more Velvet Killer or you. Oh, now it's your nap time. Time to put an end to this. And don't worry your beautiful queen leader Velvet Killer will get the same treatment.
